

# TD AGG

Stir-in Aggregate Blend for High-build Screed

## DESCRIPTION

**A stir-in, aggregate blend for creating a high-build, trowel-down screed with clear, two-pack epoxy binders.**

Quality minerals are selected and a specialty blend of particles used to make a versatile screed that's easy to work with and can achieve a fully sealed finish in one step.

## USES

Suitable for use in all clear epoxy binders manufactured by Real World Epoxies - Artepoxy, Ezypoxy and Jaxxon.

## PRODUCT DETAILS

Type: Aggregate blend.  
Colour: Natural sand colour.  
Pack Size: 18.30kg.

## BENEFITS

- ✓ Specially formulated aggregate blend.
- ✓ Pre-measured quantities for easy addition/mixing.
- ✓ Easy to trowel for a fully sealed finish.
- ✓ Suitable for levelling, re-building and falls to drains.

## MIXING

For full safety instructions, consult SDS. Wear protective clothing, goggles and gloves to prevent skin/eye contact.

Add one TD Agg for every 3 litres of resin. Use a geared or static arm mixer. If pigmenting, pre-mix into Part A first, then add Part B before introducing the entire contents of TD Agg. Mix all components together until a consistent colour is obtained.

## PRODUCT NOTES

- Total volume of TD Agg when mixed into 3 litres of resin is approximately 10 litres.
- Although mixture is resin rich, some surfaces will benefit from priming first with a suitable epoxy resin.
- Minimum application thickness of mixture is 4mm. After positioning mix, finish with a flat trowel using downward pressure to draw resin to the surface and help achieve an even, sealed finish.
- Can be used as a 5mm+ heavy-duty flooring finish.

## STORAGE

Keep containers closed when not in use. Seek advice from your local council regarding accepted disposal methods.

## FIRST AID

### CAUTION: KEEP OUT OF REACH OF CHILDREN.

IF ON SKIN: Rinse skin after manually handling and wash contaminated clothing before re-use. IF IN EYES: Rinse cautiously with water for several minutes. IF INHALED: Remove person to fresh air. IF exposed, concerned, unwell or irritation persists: Get medical advice/attention.
